Re: FOIA Request No. 04-021

Dear Mr. Seligman:

This letter responds to your Freedom of Information Act (FOIA) request to the Bonneville Power Administration (BPA) dated January 6, 2004, designated as our log number 04-021, in which you requested a complete index of every Record of Decision (ROD) prepared by BPA since January 1, 1998. BPA has no document responsive to this request. The FOIA requires an agency to provide all existing non-exempt agency records in response to a FOIA request, but does not require an agency to create records in order to respond to a request.

If you are dissatisfied with this determination, you may make an appeal within thirty (30) days of receipt of this letter to Director, Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue SW, Washington, D.C. 20585. Both the envelope and the letter must be clearly marked "Freedom of Information Act Appeal".

There is no fee for this FOIA response.

If you have any questions regarding this response, you may contact me at 503-230-5110.

Sincerely,

Annie Eissler
Freedom of Information Act Officer
